

We are excited once again to offer a women's ministry at Elmwood Park Bible Church called:

Entrusted with a Child's Heart!

Entrusted with a Child's Heart is a ministry providing mothers with biblical, practical training in parenting for children of every age. The study began in 1999 and was written and is taught via DVD by Betsy Corning from Harvest Bible Chapel in Rolling Meadows, IL. This ministry coincides with the school year and includes 19 lessons covering a wide spectrum of topics relevant to parenting.

This year, we will be offering the Entrusted with a Child's Heart ministry every Monday afternoon from 12 pm to 2 pm beginning September 28, 09 and ending March 29, 2010. We will meet in Faith Chapel at EPBC.

The introductory class will be held on Sunday, September 13 at 11:30 am in the Upper Gym.

There is a fee of \$50 for new attendees; to purchase the materials (workbook and scripture memory CD) needed to attend this study. (Unfortunately we will not be able to except returns once materials have been purchased.) The materials are yours to keep and enjoy forever. There is a \$10 administration fee for all returning attendees. Fees are required at time of registration.

Please join us as we gather together to find great encouragement by tapping into God's resources through biblical principles.

If you have any questions regarding the Entrusted with a Child's Heart ministry, please contact the church office at 708-453-4012.

To sign-up for this study, simply complete this registration form and return it with your fees to the church office..
